- And easy way to keep everyone on track is to call or email the next person showing, to let them know when you will be out of the space, so they will know when to take over a space.

Year in Review

- June – Carnegie Art Show: opening reception was June 3rd and it showed until the end of the month
- July - quiet
- August – Five Object Show at Mutual (since we did not do the 5 objects for the Carnegie show, but people were still interested in doing it)
- September thru October have been quiet in terms of things the LCAA has done, as many artists have been doing their own fall shows, and the Holiday Gala committee has been super busy with the Gala in December

- Autumn in the Grove – 2nd weekend of October several members

Recommendations for Next Year

- This year was kept simple because of lack of officers. Looking back we still did a fair amount of events – however they were shows we were asked to join in on, which was less stress on us as a whole. Due to how hard it is to get people to organize for events, I don't feel we need to add any shows driven by the LCAA – as the Gala is our great event, and if we continue working with the Carnegie we will always have another local themed show.
- People have expressed interest in doing activities again. I believe we should most certainly do this. And now that 2012 will have a V.P. who can be in charge of Presentations, it will be a lot easier to do.

Officers for next year: Let us meet before you leave and figure out a time to get together to chat about the new year.

Next Meeting Date and Time: No meeting in Dec, just our show – next meeting will be in January and it will be a gift exchange and pot luck. Tuesday, January 10th @ 6:30 pm - Bring a gift to exchange and a dish to share; \$10 or something you've made
